**4.16. Application Webinar and Questions:** Potential applicants will have the opportunity to participate in an information webinar session regarding 2024-25 FVA grant applications. The webinar is tentatively scheduled as listed in Key Dates below. Information regarding the webinar will be available on the FVA website. Please check the FVA website for updated information.

4.16.1. The information webinar will address questions regarding the application or application process but will not address a specific project or an organization's application.

4.16.2. All questions pertaining to this RFA must be submitted to [rfaquestions@tvc.texas.gov](mailto:rfaquestions@tvc.texas.gov) with "2024-25 [Grant Program inserted here] Question" in the subject line of the email. FAQs and responses will be posted on the website.

**5. APPLICATION ELIGIBILITY AND REVIEW:** All submitted applications are screened for eligibility before entering the competitive selection process. The eligibility assessment is designed to be a proactive measure to prevent fraud, waste, and abuse and to alert the commission to potential risks before an award is made.

**5.1. Application Eligibility:** A Grant Application must meet the following requirements to be considered eligible for the competitive grant selection process:

- 5.1.1. Be completed according to the grant application instructions.
- 5.1.2. Satisfy all requirements as listed in Section 4: 2024-2025 Funding Opportunity and Application Submission Requirements; and
- 5.1.3. Submitted via the TVC Grants portal by the deadline established in this RFA.
- 5.1.4. If a Grant Application received does not meet all requirements listed above, it may not be considered for funding. FVA may request additional documentation from the applicant for clarification after initial review of submitted application. FVA will not request any missing documents. Any information requested by the FVA must be submitted within five (5) business days of FVA's request. If clarification information is not received or is incomplete, the application may not be considered for funding.

**5.2. Application Eligibility – Unallowable Expenses:** The requested grant amount will be reduced by the TVC Executive Director during application eligibility screening if the application includes unallowable budgeted expense(s) equaling 20%-40% of the total grant amount requested. Example: if \$20,000 of unallowable costs are listed in the budget of an application seeking \$100,000 of grant funding, the unallowable items will be removed, and the application amount will be reduced to \$80,000. The TVC Executive Director shall determine if the resulting, reduced application will move forward in the competitive selection process for awarding.

**5.3. Ineligible Applications:** Grant Applications received will be reviewed for eligibility and deemed ineligible if one or more of the following applies:

- 5.3.1. The application is not complete.
- 5.3.2. Minimum Financial Documentation is not provided.
- 5.3.3. The Application Package is missing required attachments.
- 5.3.4. If an audit completed in the past 2 years has significant deficiencies or material weaknesses. A Grantee with similar audit findings during the grant period will make them ineligible for renewal.
- 5.3.5. If the organization has an exclusion record listed on the General Services Administration (GSA) System for Award Management (SAM). A Grantee with an exclusion record listed in GSA SAM will be ineligible for renewal.
- 5.3.6. The Application Package is not submitted through the TVC Grants portal by the deadline.
- 5.3.7. The **application is ineligible** if more than 40% of the budgeted expenses in the application are determined unallowable.
- 5.3.8. Applicant organizations with contracts or agreements with the Texas Veterans Commission **may be ineligible** for Fund for Veterans' Assistance grant funding requested for Proposed Projects involving the same or similar services as those funded under the contract. Applicants are responsible for ensuring their submitted application discloses any such contract. The Proposed Project must be clearly and sufficiently differentiated in the application from any contracted services.

5.3.9. The applicant organization is deemed financially unstable.

**5.4. Applicant Risk Determination:** Organizations and their applications will be assessed for risk including review of additional information available about the organization such as public information discovered through open-source research, Federal Audit Clearing House (Harvester), IRS Select Check, SAM, GuideStar and FVA risk assessments. Organizations determined to be High Risk will be highlighted for the Advisory Committee and Commissioners’ awareness during their evaluation and awarding consideration. If selected, High Risk organizations are subject to additional conditions as defined in 2 CFR 200.207.

**5.5. Applicant Financial Stability** will be assessed using the liquid asset test based on submitted financial documentation. Competitive organizations typically can show a cash and/or cash equivalent balance covering at least 2 months of the projected grant expenses for the proposed grant project included in the application.

**5.6. Application Review:** Following eligibility screening, risk determination, and financial stability assessment, the eligible applications are reviewed by the FVA staff to assess the application’s fit and alignment with FVA’s grant program, as described in the RFA, the Annex A - Terms and Conditions, and Annex B - Grant Program Requirements. Each application receives independent reviews from three separate FVA staff. The results from the reviews are weighted based on the percentages in the table below.
